- f. Christain opened a discussion regarding Alfred State College and that they have established the first collegiate chapter of the Farm Bureau. They also have a Soil Judging Team. The team is going to the Northeast Regional Competition at the University of Pittsburgh at Johnstown on October 10<sup>th</sup> and all of their funding has been cut. The trip cost is \$3,000.00 and they have raised \$300.00 currently. The team is wondering if that is something that the district could sponsor? The state has previously funded the team. Scott said he would ask Vic the laws regarding sponsoring something like that. The Board decided that if we can legally sponsor the team, they would approve the amount of \$2,500.00 to be given to the team for their trip. **Approved (Hanchett – Lewis)**
